

Paul Madill Joins Worth Capital's Portfolio Company **Eagle Rotary Systems, Inc.**

FOR IMMEDIATE RELEASE

JACKSON, MICHIGAN – MAY 14TH, 2009 – Worth Capital is proud to announce it's portfolio company, Eagle Rotary Systems has added its newest team member Paul Madill. Paul has joined Eagle Rotary as Executive Vice President and Chief Operating Officer.

Paul brings with him over 30 years of experience in the rotary die industry. Prior to joining Eagle Rotary, Paul was the Executive Vice President and Chief Operating Officer for Madern International, B.V.

Paul has also directed the growth and operation of the two largest Manufacturers of rotary dies- for the Carton Converting Industry, and directed the startup of three new Rotary Die manufacturing businesses in Japan, Denmark & China- all of which were successful and in operations for over 10 years.

Eagle Rotary Systems, Inc.

Eagle Rotary Systems is the only single source supplier for non-magnetic mounting cylinders and flexible plate rotary dies for the paperboard packaging industry. Eagle's patented flexible die technology and die mounting technology eliminates expensive magnetic cylinders replacing them with less costly more operator-friendly non-magnetic cylinders. Eagle also manufactures various grades of flexible plate dies, all of which are superior to the best flexible dies currently available in the world.
