

## **Worth Investment Group Executes Selling Agreement With QA3 Financial Corporation**

### **FOR IMMEDIATE RELEASE**

Jackson, Michigan – September 23rd, 2009. Worth Capital is proud to announce that Worth Investment Group, LLC has executed a selling agreement with QA3 Financial Corporation as an approved investment option for their financial advisors.

QA3 Financial Corporation is a wealth management company that consists of an independent securities broker-dealer, Registered Investment Advisor (RIA), and insurance agency. It offers collaborative financial planning and association management services for professional organizations that serve the healthcare, construction, not-for-profit organizations, community banks, and law companies. The company was founded in 1998 and is headquartered in Omaha, Nebraska. QA3 Financial Corporation operates as a subsidiary of Quantum Alliance.

Worth Investment Group, LLC is a diversified private holding company focused on acquiring companies in the middle-market with valuations from \$4-20 million, partnering with management to build value, and hold the companies for the long term.

Worth Investment Group, LLC has strategically partnered with some of the most seasoned financial servicing firms in the country to ensure consistent lines of communication, integrity and transparency, and world-class client servicing in synergy with Worth Investment Group's management.

Worth Investment Group, LLC has been approved by numerous IRA Custodians, including Pershing, First Trust Company of Onaga, Sterling Trust Company and Entrust Freedom.

Worth Investment Group, LLC has engaged Cohen & Company (Cleveland, OH) to perform third-party annual audits and USBancorp (Minneapolis, MN) has been retained to administer investor servicing.
